## SPEAKER BIOGRAPHY

### **Terry Nusyna – President TN Security Intelligence**

Terry's secret life as a security operative has provided her with experiences from a woman's viewpoint. With her Honors Degree she has traveled the globe and was trained by experts throughout the world. She has been in harrowing situations that most people only read about.

In 1997 Terry established TN Security Intelligence with a preventative approach to security. Adding first hand experiences to understand the mindset of the criminal, TN Security has helped many companies assess and reduce their areas of Security Risk. Government and Private Industry have recognized the success of her unique approach through her programs on Global Trade Security, Workplace Violence Prevention, and Traveler Security.

Terry has trained thousands of employees in Threat Awareness. Using realistic situations to address real life concerns, TN Security's straightforward, user-friendly security solutions are empowering people to protect themselves, their co-workers and their families. Terry strives to see that female security issues are not overlooked.

TN's Mission is to teach people that we must learn to protect each other and not count on technology or shorthanded and underfunded security forces.

Over the last seven years, Terry has visited over 185 locations for exporters, converting them to low risk trusted trader classification to avoid border stoppages. She was a major influence in the creation of new security standards for these Supply Chain Security Programs for US and Canadian Customs. Some of her clients have classified for the rarely awarded unique best practices in global trade security.
